

# *FUNCTION ROOM INFORMATION*

Thank you for your function enquiry. Here at Rydalmere Central Bowling Club we have been successfully coordinating functions for many years and pride ourselves on our friendly and professional service. We cater for Seminars, Birthdays, Receptions and Parties. Be assured that no function is too small for us!

We have three rooms available for hire.

**Blue Room** has a seating capacity of up to 40 guests. The room is fully air conditioned, with large windows giving you natural lighting for day time functions. There are no bar facilities, however you may buy your drinks from the Club's main bar.

**Green Room** has a seating capacity of up to 100 guests. The room is fully air conditioned with excellent lighting, is self-contained with its own entrance and foyer complete and has full bar facilities and amenities. There is a dance floor situated at the far end of the room and is more than adequate for all types of functions.

**Auditorium Room** has a seating capacity of up to 120 people. The room is fully air conditioned, and we have an elevated stage area. There is also direct access to the main bar.

We have several ways each room can be setup – Theatre, classroom, scattered & U-Shape. You can also have access to the room earlier in the day if you wish to setup decorations.

The information below has been compiled for your convenience and to help us organise your function. We are only too happy to discuss any queries you may have & you will find that we are flexible in meeting your requirements, however, we do have some basic rules that you and your guests must adhere to.

## **CLUB RULES & REGULATIONS**
